## ANNOUNCE THE 2017 EASTERN NORTH CAROLINA SUMMER ELEMENTARY SCHOOL ENGINEERING CAMP

Havelock Tourist & Event Center  
July 24 – July 28, 2017

**Rising 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> graders**

---

The Eastern Carolina Aviation Heritage Foundation will offer an exciting, aviation-themed weeklong summer day camp this July for elementary school students (rising fourth, fifth and sixth-graders) at the Havelock Tourist & Event Center.

The camp will provide students a fun and positive glimpse into various fields of engineering by using hands-on, creative investigations and real-world building activities. Throughout the week, students will be divided into design teams led by local elementary school teachers. In their teams, students will be given the challenge to individually design and build various devices related to aviation and engineering. Students will learn engineering fundamentals by exploring various experiments related to aviation.

On the final day of camp, students will demonstrate their work in a public forum that incorporates many of the concepts from the camp's weekly activities. Families and the community are invited to attend this final competition on Friday.

The camp is from 8:30am – 12:00noon Monday through Friday and a snack is provided. No lunch is provided.

Cost for the camp is \$125 per student. Scholarships may be available for students with demonstrated financial need.

If you are interested in sponsoring a camper, please contact Amanda Ohlensehlen at [amanda@havelocknc.us](mailto:amanda@havelocknc.us) .

The application process closes on April 21, 2017. To apply, go to [www.ecaviationheritage.com](http://www.ecaviationheritage.com) and follow the link to "2017 Elementary Summer Camp". Or email us for the application packet at [amanda@havelocknc.us](mailto:amanda@havelocknc.us).

For more information, contact Amanda Ohlensehlen or Greta Meadows at (252) 444-4348 or email [amanda@havelocknc.us](mailto:amanda@havelocknc.us) .
