2023 EASTERN North Carolina ELEMENTARY SCHOOL ENGINEERING CAMP APPLICATION
Havelock Tourist & Event Center
July 24-28, 2023
Rising 4th, 5th and 6th graders

The Eastern Carolina Aviation Heritage Foundation with support from the City of Havelock, will be offering a week-long, non-residential summer day camp for elementary school students (rising 4th, 5th and 6th graders) at the Havelock Tourist & Event Center. The camp will be led by elementary school teachers from Craven and Carteret Counties in partnership with engineering staff from Fleet Readiness Center East aboard MCAS Cherry Point.

The camp operates from 8:30 am to 12 (noon) pm, Monday through Friday and a snack will be provided daily. No lunch will be served. CDC guidelines will be followed, and safety protocols will be practiced to help protect all students, staff and volunteers. The total camp cost is \$125.00 per student and limited scholarships may be available for students with demonstrated financial need.

Application Process:

1. Complete application
2. Obtain a sealed recommendation letter from teacher, school counselor or principal recommending student. This can also be emailed by the person writing the recommendation to pholder@havelocknc.us.
The recommendation letter should be written by a teacher or other school official and speak on behalf of the student. The letter should address the student's interests and abilities, as well as the student's character and suitability for attending the camp. Home school students may choose an adult who interacts with the student regularly and can speak to her/his abilities, interests, character, and suitability for attending camp.
3. Have student complete a statement on why he/she would like to attend camp
The student letter is very important in the selection process, so the student should take their time composing their statement.
4. If applying for a scholarship, obtain a letter of demonstrated financial need from school counselor. Scholarships can be requested for need-based students. Since we do not wish to receive personal financial information from families, we rely on the school to indicate to us if a family has demonstrated need. Generally, participation in the free and reduced lunch program is an indicator, but a school counselor or other school official may be able to speak to other factors influencing financial need. *For homeschooled students, parents should write the letter for the scholarship request indicating factors influencing financial need without providing specific financial information.* Please submit this letter with the other components of the application.
5. Mail all the above to the address given on the bottom of the application. **Mailing must be post-marked no later than April 3, 2023.** Do not send any money at this time.

Applications submitted after the deadline will only be considered if there are openings in the camp. We consider a number of factors in selecting attendees from the pool of applicants. **We rely heavily on the teacher recommendation and the student statement of why they want to attend camp to make decisions.** We also select students from a cross-section of backgrounds and geographic areas and invite students who may be interested in engineering, but have little or no background, as well as students who already have some previous experiences. Application date can play a small role when all other factors are equal. *Students will be notified by **May 1, 2023** if they have been accepted to the camp or placed on a waiting list.*

If you have questions, please contact Pam Holder at 252-444-4348 or pholder@havelocknc.us. This application can be found at www.ecaviationheritage.com

2023 EASTERN NORTH CAROLINA ELEMENTARY SCHOOL ENGINEERING CAMP APPLICATION

*Application must be postmarked by **April 3, 2023***

Notification by May 1, 2023

Havelock Tourist & Event Center, Havelock, NC

July 24-28, 2023

PERSONAL INFORMATION

First Name _____ Last Name _____ Preferred Name _____

Address _____ City _____ State _____ Zip Code _____

County of Residence _____ Date of Birth _____ Gender: Female / Male / (circle one)
